To Whom It May Concern;

It is my distinct privilege to write this letter concerning our experience with Mr. Walter Camp and his company, Natural Habitat, Inc.

Our company, Gold Mountain Preserve, is active in the development of high-end custom single family building sites in the Phoenix metropolitan area. Our average lot sale price is in the \$400,000 - \$600,000 range.

Over several years, Mr. Camp and Natural Habitat, Inc. designed and implemented our landscape plan at the Gold Mountain Preserve subdivision. The results were of the highest quality and far beyond our expectations. In every respect they exceeded even the highest standards required by our market.

This letter serves as our unconditional endorsement of the quality of work and the integrity of Mr. Camp and his company.

Sincerely,

Gold Mountain Preserve, L.L.C.
